ORDER

By order dated September 30, 1999, this Court directed each and every plaintiff in this consolidated action to submit a completed Damage Questionnaire, along with supporting documentation on or before October 30, 1999. By Order to Show Cause dated December 13, 1999, this Court indicated that over 500 plaintiffs had failed to submit Damage Questionnaires as they were directed. These plaintiffs were ordered to submit a completed Damage Questionnaire, along with supporting documentation forthwith, or to show cause by January 20, 2000 why their cases should not be dismissed.

In a motion dated January 20, 2000, attorney Nelson Rochet-Santoro requested an extension until April 29, 2000, to submit completed Damage Questionnaires, along with supporting documentation, for the plaintiffs represented by him.

The original submission date and the extension date of April 29, 2000 have passed, and the plaintiffs who are listed on Attachment "1" have failed to submit a completed Damage Questionnaire. These plaintiffs are in violation of the Order dated September 30, 1999, have failed to diligently prosecute their cases, and are impeding the fair and efficient administration of

this consolidated proceeding; therefore, it is

ORDERED that the claims of the plaintiffs in the cases listed on Attachment "1" are dismissed for lack of prosecution.
